

Tampa Bay Auburn Club UPDATE

BACK-TO SCHOOL MEETING

WHEN: Thursday, August 3rd, 6 PM
WHERE: Yuengling Brewing Co.
11111 N 30th St
Tampa, FL 33612

GUEST SPEAKER: Brandon Johnson, Assistant Basketball Coach

This is always one of TBAC's most popular events. Join your Auburn friends in saluting scholarship recipients, incoming freshmen and their parents. Let's send them back to the Plains with some great Auburn fellowship! And, we'll hear the story of the rebuilding of Auburn's basketball program under Head Coach Jeff Lebo. Also, we'll be having the drawing for the football ticket raffle, including the Grand Prize of two tickets in President Richardson's box for the Florida game! All of this and in a fun location, too! **MAKE YOUR RESERVATIONS EARLY, BECAUSE SEATING IS LIMITED!**

FOOTBALL TICKET RAFFLE

It's time for the TBAC's Annual Football Ticket Raffle. Proceeds from the raffle support 1/2 of an athletic scholarship through the Tampa Bay Auburn Club's membership in Tigers Unlimited. Each ticket is good for two Club Level seats to Jordan-Hare, food, soft drinks, a game program and a parking pass. The drawings will be held at the Back-to-School Meeting. In addition, each ticket is eligible for a Grand Prize, donated by AU President Ed Richardson, which consists of two tickets in the Presidential Suite for the Florida game, a pre-game reception at the Presidential Mansion, and a ride in the motorcade to the game! To get tickets, just fill out the enclosed form.

FOOTBALL SEASON IS COMING

Champions, TBAC's long-time home for football viewing parties has closed. The Tampa Bay Auburn Club will host our game watching parties at the Rock-N-Sports Bar & Grille in Ybor City this Fall.

It is located at 8th Ave and 15th St, around the corner from Centro Ybor. There is convenient parking nearby, with an HCC lot across the street and a city parking garage a block away, as well as a street car stop across the street!

The owners were the long time managers, through 2004, of Champions, and are familiar with our club. Many of the former wait staff from Champions will be serving us this fall.

They will provide our own room to watch the games and will provide games from ESPN Game Plan, which will enable us to view most games not broadcast locally. The menu is reasonable and much more extensive than Champions and they will provide food and drink specials to us. Virginia Tech will also be headquartered there.

Their web site is: www.rocknsportsbar.com

THANKS, COACH!.....AND THANK YOU DONORS!

Auburn Offensive Coordinator Al Borges spoke to a Reception for Scholarship Donors of the Tampa Bay Auburn Club on Wednesday, June 14th at 6 PM. Attendees supported scholarship by raising over \$6000 for the Auburn University Foundation.
